

Salsify, Inc.
Certificate Number: ISMS-SA-110822

CERTIFICATE OF REGISTRATION

Information Security Management System
ISO/IEC 27001:2013

Salsify, Inc.

101 Federal St #2600,
Boston, MA 02110
United States

A-LIGN Compliance and Security, Inc. certifies that the organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2013. The scope and boundaries of the ISMS is as follows:

The scope of the ISMS is focused on the Salsify ProductXM and SupplierXM applications and the data that is stored, transmitted, and processed. This includes the development of application software and technical support of the resources that deliver the applications.

The ISMS scope includes:

- The physical security at Salsify’s offices in Boston and Paris, which are used for Salsify development, engineering, and technical support activities.
- Salsify ProductXM and SupplierXM applications.
- All Salsify employees involved in the development, engineering, and technical support of the Salsify applications.
- All information stored, transmitted, and processed by the Salsify Applications within the Salsify hosting sites.
- All Salsify owned information systems and networks involved in the storage, transmission, or processing of information for the Salsify Applications.
- All Salsify managed information systems and networks involved in the development or technical support of the Salsify Applications.
- All Salsify business processes directly related to the development and technical support of the Salsify Applications.
- All hosting site components managed by Salsify which support the delivery of the Salsify Applications.

The statement of applicability includes control objectives from the ISO/IEC 27001:2013 Annex A framework.
